## Brecon Style Garden Shed with Log Store

- Length 3m 9'9" (incl. storage)
- Width 1.5m 4'11"
- timber lined roof

£ 1075.20

Log store available with vented or solid clad sides.

If the above sizes are not suitable please ask about made to measure (poa).

Each shed comes complete with: sturdy floor section, glass, padlock and all necessary fixings.

The sheds are constructed from pressure treated softwood, with a minimum of 38 x 38mm framework and clad with planed shiplap boarding. The roof is clad with a box profile no maintenance steel sheeting in dark green or slate blue grey. The units are supplied sectional requiring no specialist tools to erect.

**If you decide to have your shed delivered we require a least one person to assist unloading the sections. There will be extra costs involved if you require us to supply assistance to offload.**
